Rooftop Community

Connect with your neighborhood on the rooftop terrace. Tied together by elevated natural design, this self-sufficient space brings your community closer together at Mara. Residents looking to experience the richness of the Okanagan lifestyle will have access to a sustainable terrace space where the community gathers to enjoy life at ease.

Inspired Interiors

Bright, open concept modern kitchens finished with luxury quartz countertops. High quality, energy efficient S/S appliances, and extra-large sliding doors that elegantly lead to your outdoor living space. Organization is a breeze with state of the art wall cabinetry, designed to create functional contemporary storage.

Flexible Spaces meet Smart Features

1Valet

1Valet is the leading smart Building Operating System which allows you to gain access to your home through the convenience of your smartphone. With 1Valet's advanced facial recognition software lost keys are a concern of the past. Your home security is top priority with 1Valet. Now you are able to monitor who gains access to your front door through state of the art security, and stay informed about everything happening in your building through the apps' property management software.

BlueBox Smart Lockers

Leave parcel reception issues in the past. With BlueBox Smart Lockers your packages get delivered right, the first time.

Smart lockers enable residents to have packages delivered and secured through safe, contact free deliveries.

The BlueBox app updates residents in real-time via their smartphones when a courier delivers their package.

BlueBox allows residents to pick up packages 24/7, meaning no more missed deliveries and trips to the post-office.

E-Bike Charging

Mara is proud to support green initiatives by offering E-Bike charging stations conveniently located on your property.

Features + Finishes

A BLEND OF FUNCTIONAL AND TIMELESS DESIGN

With a balance between comfort and the convenience of modern interior design, each unit at Mara contains spacious 9' ceilings which offer breathable, open, and bright interiors.

All units are equipped with state of the art appliances and contain full size washers and dryers, Mini Split air conditioners, and versatile cabinetry

for optimizing your storage space.

The functional foyer cabinet allows for optimal storage, and a clutter free entrance. The sleek recessed LED lighting illuminates the kitchen, with oak waterproof laminate flooring.

BATHROOM

Your morning routine is made easy.

Bathrooms contain full-sized vanity mirrors with overhead designer lights, and an undermount sink embedded in a quartz countertop. Stone-tile flooring

offers grip safety and style, leading out from the spacious stand-up rain shower. Matte black plumbing fixtures ensure watertight drainage from the modern one-piece toilets in each unit.

KITCHEN AND APPLIANCES

Open interiors with modern furnishings.

Kitchen storage includes gray cabinets with easy-to-access handleless cupboards which are complimented with wood-toned accents and a smooth matte finish. Durability integrated kitchens are finished with high-quality quartz countertops.

All water systems within your unit

consist of matt-black plumbing fixtures.

- Top Mount All-around cooling fridge.
- 30" Smooth-top Electric Range Stove
- 24" super quiet Dishwasher.
- Stylish over-range Microwave equipped with sleek ventilation.
- Resistant and hygienic under-mount SILGRANIT sinks.
